

# JONES

## Data Sheet

LED

JONES is a powerful uplight, intimate reading light and atmospheric shade lamp in one. It is transformed extremely easily by means of two buttons on the lamp's upright tube, while a third regulates the brightness. And if desired, various glass inserts cause the white shade, which is available in two sizes, to shine in color.

Examples of applications:  
Places where different lighting atmospheres are needed, for example bedrooms, doctor's practices, nursery schools.

## Technical data sheet

infinitely adjustable: reading light, directed downwards; decorative light, directed downwards and upwards, diffuse all around (coloured due to the glass insert); indirect light, directed upwards

Design Prof. Uwe Fischer

## Awards

Design Center Nordrhein-Westfalen, Red Dot Award

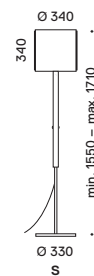

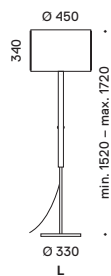

## Material & surfaces

Shade	glass fabric laminated white
Round tube and base	aluminium brushed with protective coating
Square tube	aluminium chrome-plated
Glass insert	borosilicate glass, yellow or orange

## Dimensions

## Technical data

Illuminant	LED CoB LED unit changeable tool-free
Power (nominal value) <sup>1</sup>	38 W
Luminous flux LED (nominal value) <sup>1</sup> / 2700 K Color temperature	3450 lm
Color rendering index	> 90 CR
Operating voltage	primary 220 – 240 V AC, secondary 36 V DC
Control	on/off/dimming with button at round tube
Average lifetime LED	50.000 h <sup>2</sup>
Energy efficiency class	A++ to A
Warranty	2 years

The crossed-out wheellie bin indicates that this electrical appliance must not be disposed of via household waste. In order to protect human health and the environment against potentially hazardous substances, at the end of its lifecycle this product can be taken to a collection point close to you and disposed of free of charge there. This separate disposal enables electrical appliances to be reused or recycled.

## Article numbers

		Output (nominal value) <sup>1</sup>	Control Technology	CRI <sup>3</sup>	Color Temperature <sup>3</sup>	Glass insert	Article Number
	<b>JONES LED</b> large shade	38 W	dimmer	> 90	2700 K	yellow	JO3002
						orange	JO3003
	<b>JONES LED</b> small shade	38 W	dimmer	> 90	2700 K	yellow	JO3005
						orange	JO3006
